18 March 2019

In the wake of the tragic event in Christchurch, the MyNT Executive would like to express our deep condolences for the lives that have been lost and their grieving families.

They are victims of a continuous campaign of intolerance which seeks to divide us. We denounce the hate-filled and divisive words we have seen from certain leaders, not only in the past few days, but for years. We believe that these statements which incite fear and violence have no place in our community.

We applaud our community for the unity we have witnessed. We ask the members of our beautifully diverse community to continue to stand in solidarity with our different ethnic and religious groups. Our multiculturalism is our greatest asset and is something that needs to be protected and valued.

Yours sincerely,  
**MyNT Executive 2019**
